I-300: Intermediate ICS

Class Description:

This course provides description and detail of the Incident Command System (ICS) organization and operations in supervisory roles on expanding or Type 3 incidents. Topics include: ICS fundamentals review, incident/event assessment and agency guidance in establishing incident objectives, Unified Command, incident resource management, planning process, demobilization, transfer of command, and close out.

Instructor Bio:

Stewart Roth has been a student of this great profession for over 34 years and is currently serving as a Division Chief with Monterey Fire Department. While as a Division Chief, he spent 13 years in Training / Safety and Special Operations as both an Operations Chief for Monterey County US&R team and now as a Plans Team Manager and Safety Officer for California Urban Search and Rescue Task Force 3. Stew has been instructor with the Monterey Peninsula College Fire Science Program for over 30 years and currently coordinates their Fire Fighter 1 Academy as well as lectures in their Chief Officer Command and Leadership Programs. Stew has instructed with the "Nobody Gets Left Behind" Training Group since its inception. In 2005 Stew was chosen as "Training Officer of the Year", by the California State Fire Fighters Association for his creative training and influence in California's Training Programs. Stew has an Associates Degree in Fire Science, a Bachelors Degree in Business Management and a Masters Degree in Business Administration. Additionally, he holds California Fire Instructor III and Chief Officer certifications and was recently awarded his Chief Fire Officer Designee (CFOD) from the Center for Public Safety Excellence.
